SERBIA

ELEONES Kids Summer Camp is located less than 200 km from Thessaloniki, in Gomati Chalkidiki in an ancient olive grove (Eleonas in Greek after which our camp got its name), a blessing site with abundant growth washed by Mount Athos Gulf. Nearby stretch BLUE FLAG beaches awarded by the EU for their CLEAN water. The area is categorized as a "NATURAL BEAUTY SPOT" by the Ministry of Macedonia Thraci

Kids Summer Camp in Chalkidiki

Committed to the camp institution ever since our establishment, we created a site specially designed for children, offering a high quality camp experience. It aimed to combine a pleasant and harmonious environment with safe camp facilities of high standard. Buildings are exclusively of traditional architecture (newly built tile-roofed cabins made of stone and wood). Once again, we are getting ready to welcome all of you at the ELEONES

Summer Camp for the summer. So, we aim at quality results, promoting kids' socialization through an everyday feast full of joy, fun and creativity. All you have to do is organize your summer holidays at the ELEONES Summer Camp, either alone or with your friends, after choosing the camp period that suits you best. We remain at your disposal for any further information!

Nutrition

Diet is one of the key traits distinguishing our camp due to the quality of ingredients and food preparation. We choose daily fresh ingredients provided by certified suppliers. Our kitchen is staffed with a Food Technologist and experienced cooks ensuring on time preparation of dishes. We are honoured that parents consider our food "home-made" and many campers "better than mum's"! Our diet is planned by nutritionists and covers all needs for a balanced and healthy diet for kids. Second helpings are offered at all meals, as every day there is plenty of food for all kids.

Eleones

Our camp is certified in providing Accommodation, Entertainment, Activities and Catering for Kids by ISO 9001:2008 - ISO 22000:2005
